RE: Johnson Utilities, L.L.C.: Compliance with Decision No. 68235  
ACC Docket No. WS-02987A-05-0088  
RE: Unified (Aquifer Protection) Water Quality Permit for the Copper Basin Wastewater Treatment Facility

Dear Mr. Johnson:

Pursuant to the above mentioned decision, Johnson Utilities hereby requests an extension of time to file the Unified (Aquifer Protection) Water Quality Permit ("APP) for the Copper Basin Wastewater Treatment Facility that is currently due on October 25<sup>th</sup>. We submitted our APP application on May 4<sup>th</sup>, 2006 with ADEQ and have run into an unexpected delay. During the permitting processes we learned that the plant site had been illegally conveyed by the previous land owner to a third party in 2006. We were forced to file a lawsuit to regain clear title to the property. Although it was a lengthy process we have received a judgment from the courts conveying the property back to the Utility.

Now that we have received clear title, we are re-filing our APP application with ADEQ and are in need of an extension of the compliance date. We hereby request a 24 month extension of the compliance date to October 25, 2009. This delay of time in receiving the permit will not negatively affect the developer of the Quail Run project since the wastewater flows are designed to go to the Section 11 WWTP until the Copper Basin WWTP is up and running.

If you need any additional information in regards to this compliance items, please do not hesitate to contact me. Thank you for your time and consideration in this matter.

Sincerely,

  
Brian P Tompsett
